Year 4	Responding to the work of Wassily Kandinsky.  Using a natural object as a starting point for drawing and coloured textile work  Using viewfinders to select and analyse visual elements.  Selecting and composing images, developing analytical observational skills  Discussing work with others.  Developing analytical skills and fine pencil control  Producing thick and thin lines and a variety of tonal qualities	Exploring the application of colour reflecting the style of George Frederick Watt.  Understanding how colour may be applied to images in different ways  Using their sketches as a starting point for further work  Selecting, mixing and applying colours to reflect the style of George Watt  Developing and modifying work as it progresses.  Understanding the wash technique of wet on wet  Working in the	Using own work as a starting point for further images.  Exploring the technique of printing with a relief block onto paper.  Understanding the idea of repeat printing and the use of relief blocks to rotate and flip images.  Discussing and comparing different techniques.	Understanding that artists use different starting points for their work.  Using objects from everyday life as a starting point for their own work.	Dipping fabric to produce 3D forms.  Working collaboratively to produce artwork.  Adapting and modifying work through class and group discussion	Developing an understanding of the mono-printing process using thick and thin marks and lines on fabric.  Developing control of tools and techniques.  Adapting and modifying their work according to their views.  Understanding the advantages of combining media and processes  Developing knotting, threading and binding.  Selecting materials and processes and organise and combine these in their work.
		working in the environment to produce direct observational paintings in the style of Turner.				Comparing responses to artists' work. Making decisions about how to develop responses to Brennand –Wood.

Yes 6	Focusing on a single element within a design.  Discussing and reviewing work and making modifications.  Making detailed drawings using a magnifying glass  Enlarging designs developed in the sketchbook.  Selecting and using a wide range of media	Discussing the linear qualities of the work of Patrick Caulfield  Developing direct observational skills from variety of viewpoints.  Developing knowledge of LS Lowry  Selecting appropriate materials to transpose their drawings  Adapting and improving their work to realise their intentions.	Producing batik images  Adapting and modifying work.  Comparing ideas and approaches to work as it progresses.	Developing the use of simple geometric shapes and patterning in response to the work of Gustav Klimt.  Using a sketchbook to select and record aspects of Klimt's images.  Applying experience of materials and process and developing control of tools and techniques.  Developing questioning and thinking skills through the practical development of their work.	Understanding the concept of 'drawing' in 3D.  Recording first hand observations directly into clay. Understanding Moore's use of the maquette.  Comparing and commenting upon the ideas, methods and approaches of others'.  Working independently from chosen starting points.  Developing a small scale series of work.  Understanding the work of Anthony Gormley  Developing a series of work that has been medified and	Developing understanding through direct experience and manipulation of materials and processes.  Developing an understanding of the nature of materials and matching this to their intentions.  Applying knowledge and demonstrating understanding through individual responses to the work of textile artist Jean Davywinter
