

St. Michael's Catholic Primary School Sports Premium 2022-23

The Department for Education's vision for the Primary PE and Sports Premium is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. The premium must be used to fund additional and sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles.

We endeavour to see an improvement in the following 5 key indicators:

1. **The engagement of all pupils in regular physical activity** - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The **profile of PE and sport is raised** across the school as a tool for whole school improvement.
3. **Increased confidence, knowledge and skills of all staff** in teaching PE and sport.
4. Broader experience of **a range of sports and activities** offered to all pupils.
5. Increased **participation in competitive sport**.

Our Sports Premium allowance for 2022-23 is **£17,410**. Outlined below is how we anticipate to use this funding.
