

St Michael's Catholic Primary School

Behaviour Policy

February 2024

Policy Statement

At St Michael's Catholic Primary School, we believe that the Catholic ethos of our school is central to creating an environment which allows all pupils to develop and maintain high standards of behaviour and academic achievement. By working together, we can all ensure that we are promoting a productive, happy, caring and secure learning environment. We maintain that effective learning can only take place in a calm and orderly environment where there is mutual respect between all members of our school community.

High quality relationships throughout the school:

- Enable a conducive learning environment
- Promote pupil confidence and raise self esteem
- Encourage self-discipline and responsibility
- Foster an understanding and tolerance of all races, religions and cultures

Aims and Expectations

- To ensure that excellent behaviour is a minimum expectation for all.
- To provide an environment where effective teaching and learning can take place.
- To ensure that all learners are treated fairly, shown respect and feel safe.
- To help learners take control over their behaviour, make positive choices and recognise the consequences of it.
- To build a community which values kindness, care, good humour, good temper, obedience, patience and empathy for others.
- To comply with all legal requirements whilst being led by Gospel values
- To apply appropriate discipline when pupil conduct falls below the standard which could be reasonably expected.
- Consistency in expectations, approaches, language and consequences

Purpose of the policy

To provide simple, practical procedures for staff and learners that:

- Recognise and positively reinforce behavioural norms
- Promote self-esteem and self-discipline
- Teach appropriate behaviour through positive interventions
- Build good relationships in school

“Consistency lies in the behaviour of adults and not simply in the application of procedure. A truly sustainable consistent approach does not come from a tool kit of strategies but in the determination of every member of staff to hold firm. The key is to develop a consistency that ripples through every interaction on behaviour. Where learners feel treated and valued as individuals they respect adults and accept their authority.”

Paul Dix

*Our behaviour policy and reward systems are based on our **four school rules:***

- Be **ready**
- Be **respectful**
- Be **safe**
- Be **your best**

These rules run alongside our **Gospel values:**

- Forgiveness
- Honesty
- Compassion
- Friendship
- Patience
- Respect
- Thankfulness
- Service

4. Foster good relationships with the school
5. Make children aware of appropriate behaviour in all situations

Getting the Basics Right

These simple consistencies are key to the success of the policy and need to be adhered to by all staff.

- Before school - Children come straight into the classroom.
- Welcoming children as they come into school
- SLT being visible on the drive and staff standing at entrance doors.
- Teachers there to greet children as they come back into class after breaktimes
- Children need to come into Assembly in silence. It is the Class teacher's responsibility to ensure this. Children should remain silent throughout Assembly as appropriate.
- In the corridors - Children are expected to walk quietly and in single file in the corridors
- In the playground - Children should not climb on furniture / play equipment or go onto grass when out of bounds.
- Sports leaders support activities during the lunchtime session.
- Dining Hall- children remain in assigned seats and talk quietly to people they sit next to
- Walking back from the dinner hall- walk in pairs up the drive and then in silence once at the gate
- After School – children and parents leave school grounds as soon as they are collected.

Recognition and rewards for effort

We recognise and reward learners who go “over and above” our standards. Although there are various forms of recognition, our staff understand that a quiet word of personal praise can be as effective as a larger, more public reward.

Class level:

1. Praise for good choices
2. Stickers (either on clothing or in books)
3. Family beads (contribute to whole school Family Groups total)
4. Raffle tickets (daily/weekly draw)

School level:

1. Star awards -Each teacher chooses a star learner every week.
2. Headteacher award (weekly role model)
3. Sports awards- chosen by P.E. teacher
4. Proud cloud - shown Gospel values
5. Positive postcards – sent out monthly by teachers
6. Facebook shout-outs (children sent to HT office for photo with work)
8. Mini-Vinnies award- child who is loving and compassionate (chosen by Mini Vinnies)
9. Writer of the month (chosen by teacher, work displayed in corridor)
10. Staff shout outs- children write and place shout outs in box outside HT office

Response to low-level behaviours

Picking up your own tab: When dealing with low level behaviours, adults will 'pick up their own tab'. Children will not be sent to another member of staff for behaviours to be sanctioned. Children will not be stood outside of a classroom to rectify behaviour. Once a low-level behaviour has been stopped, the adult should demonstrate forgiveness.

The adults in our school will endeavour to be:

- Forgiving
- Un-shockable
- Consistent
- Relentless
- Calm

Adults will encourage good behaviour in the first instance by building up *positive relationships* with all children. Low-level behaviours will be discouraged by recognising and praising positive and desired behaviours demonstrated by other children in the class. Low level behaviours should not be allowed to disrupt learning. Therefore, the following steps will be followed when positive reinforcement proves ineffective:

Behaviour Code

Step 1- Nudge

Gentle encouragement, a "nudge" in the right direction, small act of kindness, check they are okay – active listening. Tone remains calm, friendly and light.

Step 2-Reminder

Adult explicitly uses the word 'reminder' and refers to one of the 4 rules; quietly reminds child what is expected of them e.g. "This is a reminder that you need to 'be ready' which means putting your pen down and showing me you are listening." Tone of voice is neutral.

Step 3- Warning

Quietly and discreetly speak to child. Tell them this is their 'warning' then use 30 second script:

-I notice you are...

-You have broken the rule.....

-Positive affirmation e.g. I know you are a really kind/hardworking person etc.

-That is what I need to see now. Thank you for listening.

Adult will move on and will not allow for engagement. Tone of voice is slight disappointment.

Step 4- Consequence

If the warning is not successful and the low-level behaviour continues, the child will receive a consequence during which a restorative conversation and action will take place. This will involve missing time either during break time or another activity that they enjoy (up to 10 minutes). Ensure the child is calm. Have a discussion with the child that reflects on the behaviour. Tone of voice shows clear disappointment (stern but not shouting) Use the following questions:

-“Which rule were you struggling to follow?”

“What were you thinking/how were you feeling?”

“How do you think this made other people feel?”

“Who was being affected by your behaviour?”

“What could you do differently?”

“I need to see your behaviour improve for the rest of the day/week otherwise you will need to go and have some thinking time with Mrs Parker”

If appropriate, the child may need to complete unfinished work.

If the behaviour occurs during breaktime, the pupil stands with the adult. The same script is used.

The pupil stays with the adult for a total of 5 minutes.

Whenever a child receives a ‘consequence’ the behaviour will be recorded on Arbor.

Children receive a fresh start each session.

KS1: Before morning break, after morning break and afternoon session. Breaktimes are also treated as a session. KS2: morning session, lunchtime,, afternoon session. However, if there is a pattern of low-level behaviour over a series of lessons/days, then this will need to be escalated and a meeting will be required as outlined below.

Step 5 – Restore (Time with SLT)

If the child’s low level behaviour still does not improve (or there are repeated incidents throughout the day/week), they will need to spend time discussing their behaviour with the headteacher or another member of SLT. This will happen as soon as possible. Parents will also be informed that their child needed to spend time reflecting on their behaviour with a member of SLT. A reflection sheet may be used or the child may be asked to write a letter of apology. If the child did not complete their work as a result of their behaviour, they will complete it at this time. **The behaviour and actions will be recorded on Arbor.**

Staff will always deliver sanctions calmly and with care. It is in nobody’s interest to confront poor behaviour with anger/shouting. An adult shouting is an adult that has lost control. Children will either find it frightening or funny.

Response to High-Level behaviours

High-level negative behaviours may include but are not restricted to:

- Use of racist or homophobic language
- Physical assaults
- Swearing/abusive language
- Bullying
- Refusal to follow school rules
- Behaviour that puts themselves or others at risk of harm

Incidents of high-level behaviours should always be recorded on Arbor and also CPOMs if the behaviour posed a safeguarding risk. It must be reported to a member of the Senior Leadership Team as well as parents/carers.

School responses to high level behaviours will be explained to parents/carers and may include:

Reparation meetings

A restorative meeting should take place as soon as possible. This can be supported by another colleague or member of SLT.

Staff have a script for the restorative conversation. Staff choose appropriate restorative questions from the following and address each question together.

1. What happened? (listen to each other's account carefully)
2. What were you thinking at the time?
3. What have you thought since?
4. How did this make people feel?
5. Who has been affected?
6. How have they been affected?
7. What should we do to put things right?
8. How can we do things differently in the future?

The teacher involved will take responsibility for leading reparation meetings. SLT will provide support. If behaviour happened in absence of a teacher, a member of SLT will lead the meeting. Reflection sheets will be used where appropriate and kept in behaviour folder in HT's office.

Formal meeting and reward charts/marble jars

If behaviour is consistently poor as shown by Arbor monthly reviews or becomes a cause for concern there will be a formal meeting with teacher and Head Teacher and parents. There will then be agreed targets that will be monitored over the course of two weeks. A *reward chart* may be put in place. The reward chart will be used discreetly. We do not advertise poor behaviour to other learners or give fame to those who choose not to meet our high standards of behaviour. The child will be given either a star or a spot at the end of each session. The aim is to receive a specified amount of stars over the course of a day/week. The chart should highlight any areas in which the child requires extra support. The chart should be shown to a nominated trusted adult (not the class teacher) at the end of each day. The trusted adult will take this as an opportunity to reflect on the stars and spots and give encouragement for the following day.

Alternatively, younger children may be given a 'marble jar'. At the beginning of each day, a reward will be agreed. Each positive behaviour shown by the child earns a marble. If the child fills the jar, they receive their reward. The jar may be shown to a nominated trusted adult at the end of the day. This is an opportunity for reflection on their behaviour that day.

Further support

Children who may need some additional *emotional support* will be supported by the SENDCO and outside agencies such as an Educational Psychologist, CAMHS or the Emotional Wellbeing for Effective Learning Team. They may require access to trusted adults who can provide short time-outs from class and with whom they can go to for support.

Some children will have a *Behaviour Support Plan* to address particular needs and these should be adhered to in addition to the usual behaviour policy. This will be devised alongside parents and then shared with pupil. It will be reviewed after 4 weeks.

If one or more children is struggling with inappropriate behaviour, a "Getting Along" *intervention* or group such as Lego Therapy is convened, run by a Teaching Assistant, to support the struggling child in developing personal awareness, social and self-management skills.

Serious breaches

A serious breach is an incident that may lead to an internal exclusion, a fixed term exclusion or a permanent exclusion. Alternatives to exclusion where appropriate, will be sought.

Serious breaches of discipline include:

- physical assault resulting in injury
- deliberate damage to property
- stealing

- leaving the school premises without permission
- verbal abuse of a serious nature
- defiant refusal to follow rules and instructions
- disruptive behaviour in class which prevents learning and teaching.

This type of behaviour is generally rare and it is the responsibility of the members of the SLT, who will deal with it severely, particularly if the problem keeps recurring.

Procedures for Dealing with More Serious Incidents

- A verbal warning by the Headteacher or Deputy Headteacher as to future conduct
- Withdrawal from the classroom for a session or the rest of the day
- A meeting with parents, and a warning given about the next stage unless there is an improvement in the child's behaviour

In addition to the above, all major breaches of discipline will be recorded on CPOMS (on line data system used by school)

A very serious problem may result in the normal procedure being abandoned and a child being taken home straight away.

Permanent Exclusion

If the problem is severe or recurring then exclusion procedures are implemented in consultation with the Governing Body. Exclusion guidance is based upon current Local Authority and DFE guidance. Permanent exclusion will only be issued after consultation with the Governing Body and the Bishop Wilkinson Trust

Only the head teacher has the authority to exclude and will notify parents within one school day by phone or letter.

The school will take reasonable steps to set and mark work for the first five days of exclusion and alternative provision will be arranged from the sixth day.

Parents will be required to attend a re-integration interview regarding pupil's fixed term exclusion.

Permanent exclusion is an extremely serious step and will be used only in the most rare and extreme of cases. This can arise for an accumulation of fixed-term exclusion or as a result of a very serious one-off offence. Serious one-off offences may include:

- Serious actual or threatened violence
- Sexual abuse or assault
- Supplying an illegal drug
- Carrying an offensive weapon

Pupils with Special Educational Needs

Where pupils have special educational needs there may be situations where the sanctions and rewards may need to be modified accordingly to suit the pupil concerned. This will be done in consultation with the SENCO/ Headteacher /Deputy Headteacher and class teacher. Key staff may need to liaise with external agencies as necessary.

Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil or member of the public
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

Physical restraint / Use of reasonable force

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded on CPOMs and reported to parents

Please refer to the Positive Handling Policy for further details

Training

Our staff are provided with training on managing behaviour as part of their induction process. Behaviour management will also form part of continuing professional development.
